

# 2025 GRICON Sponsorship Guide

July 10 - 13 in Orlando at Wyndham Bonnet Creek

**THREE DAYS OF LIVE CONTENT FOR FAMILIES,  
RESEARCHERS, CLINICIANS AND BIOTECH.**

# ABOUT US

## THE FOUNDATION

CureGRIN is a US-based global foundation founded and run by parents who are committed to finding treatments and cures for GRI Disorders.

## WHAT ARE GRI DISORDERS?

GRI Disorders are rare neurodevelopmental conditions with severe life-limiting consequences. Many GRI patients are non-verbal, unable to walk, and cannot feed or toilet themselves. Many suffer severe and frequent seizures or autonomic storms. CureGRIN represents patients with monogenic disorders involving GRIN1, GRIN2A, GRIN2B, GRIN3A, GRIN2D, GRIA1, GRIA2, GRIA3, GRIA4, GRIK2, GRIK5 and GRID

## WHY SPONSOR CUREGRIN?

There are no approved treatments or cures for GRI Disorders, but researchers tell us a cure is possible. Our global community of families, researchers and clinicians are excited to connect with sponsors who share our hope.

# 2025 GRICON JULY 10 - 13 ORLANDO, FL

The deep partnership between the scientists and families was evident in all sessions -- we are an international family, working hand-in-hand for a cure.

**2020 Virtual Conference Attendee**
